

Memorial May 2022

For the month of May we're excited to announce we will be offering a special one-month membership to try out the club at an even bigger discount to all Veterans and Active Service Members

We're offering a **rate of \$89 plus sales tax**, that means no enrollment fee or utility surcharge of any kind on top of a significant discount, at the end of May if you'd like to continue your membership, you'll receive the discounted option 1 rate (no matter your length of commitment)

We will also be offering guest passes for just \$12 to Veterans and Active Service Members, that's a 33% discount!

We're looking forward to celebrating this Memorial Day with you all and hope to see you in the gym soon!

(Must present proof of service at sign up)
